ROYAL OAK, MI - Once Chesterfield Township Public Safety Director, Brad Kersten became convinced his township was serious about potentially licensing Provisioning Centers, Grow Houses, and possibly other Cannabis Industry entities, he decided to reach out to the “leading legal expert in the state of Michigan”. That’s when he contacted Barton W. Morris, Jr., founder and CEO of Cannabis Legal Group based in Royal Oak.

“If we are going to consider opting in, we decided it was best for our Cannabis Committee as well as the community to hear from Barton W. Morris, Jr.,” said Kersten who heads up the Chesterfield Township Cannabis Committee.

“Chief Kersten graciously invited me to do an informational presentation regarding Medical and Recreational Marijuana Licensing. Having been involved with numerous committees on a local and statewide platform, it will be my honor to meet with the committee and residents and happily answer their questions.

Barton W. Morris, Jr. is the founder of Cannabis Legal Group and has a remarkable track record in this field since he first became involved in 2008, when the Michigan Medical Marijuana Act was enacted.
