

Request for Approval to Transfer Fresh Frozen Marijuana

To request approval from the agency to transfer fresh frozen marijuana and bypass the required testing on the harvest batch, this form must be filled out in its entirety and emailed to MRA-Compliance@michigan.gov. The subject line must state "Request for Fresh Frozen Approval."

The licensee is **NOT** authorized to transfer product until written approval from the agency has been received.

Please fill in **ALL** fields below:

1. Facility Name

2. License Number

3. Name and License number of the processor where the product will be sent.

4. Product Name and weight

5. Package Tag Number/s
