MMFLA and MRTMA License Issuance Process – Temporary

In accordance with Gov. Gretchen Whitmer and the Michigan Department of Health and Human Services' [recommendations designed to help prevent the spread of Coronavirus Disease 2019 \(COVID-19\)](#), we are temporarily amending the process by which applicants approved for a license under the Medical Marijuana Facilities Licensing Act (MMFLA) or the Michigan Regulation and Taxation of Marijuana Act (MRTMA) may receive their license from the Marijuana Regulatory Agency (MRA).

Effective March 16, 2020:

- Licenses are effective and allow licensees to begin operations upon payment of the regulatory assessment fee (medical facility licenses) or initial licensure fee (adult-use establishment licenses). The fee due is the fee that was in effect on the date the license was approved.
- Licenses will no longer be available for pickup on-site at MRA. Licenses will be printed and mailed by certified mail on the next Tuesday or the next Friday following the day of the week that payment of the fee is received as indicated in the chart below.

Payment days and respective license printing days are as follows:

Date of Payment	License Printing Day
Monday, Tuesday, Wednesday	Friday
Thursday, Friday	Tuesday
Saturday, Sunday (online only)	Tuesday

If a state holiday falls on the day before or the day of a license printing day, the license will be printed and sent by certified mail on the next regularly scheduled license printing day.

The state is taking proactive steps to mitigate the spread of COVID-19 in Michigan. We appreciate your understanding and cooperation in reducing the coronavirus risk to Michigan residents.
